

Donations and Loans to the Museum

We are asking all of you who wish to donate things to our Museum to please follow the regulations that the Museum has set up. All cars, parts, and related items must go through the Collections Committee before they can be accepted by the Museum. The reason is to get the proper information on what is being donated and by whom for our records.

There will be applications for donations at the Museum. Please fill them out in duplicate, keep one copy and leave the other at the Museum or give it to Bert Harrison.

Donation and Loan Form

All items to be donated or loaned for display to the NWVC&M Museum must be approved by the Collections Committee and must meet the conditions outlined in our collection policy.
